The company is limited by guarantee not having a share capital.

Financial Results

At the end of the financial year the company has assets of €453,872 (2018 - €399,289) and liabilities of €17,552 (2018 - €19,835). The net assets of the company have increased by €56,866.

Principal Risks and Uncertainties

In the first half of 2020, the outbreak of Covid-19 spread throughout Asia, Europe and Worldwide. The initial impact of this has been severe and has resulted in a significant worldwide slowdown in economic activity. In Ireland, the economic impact of this pandemic has been characterised by the temporary closure of many businesses in "non-essential" areas to ensure that people's movements are restricted in order to slow down the spread of the virus. The effect of Covid-19 presents many risks for the company, the effects of which cannot be fully quantified at the time of approving the financial statements. As a result, the directors consider the implications of the Covid-19 pandemic to be a significant uncertainty at the time of approving the financial statements.

Although the effects cannot be fully determined, the directors believe that the main risks associated with Covid-19 are as follows;

- an initial reduction in services during the period of temporary closure
- a prolonged period of government recommendations and restrictions on the movement of people to contain the virus
- a potential reduction in economic activity following the recommencement of trading which may result in reduced core funding

The directors are not expecting to make any significant changes in the nature of the business in the near future. At the time of approving the financial statements, the company is exposed to the effects of the Covid-19 pandemic which has had a negative effect on its outreach services since the year end. The directors will seek to develop the company's activities whilst managing the effects of the difficult trading period caused by this outbreak

INDEPENDENT AUDITOR'S REPORT

to the Members of THINK BODYWHYS Company Limited By Guarantee

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement set out on page 6 the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Further information regarding the scope of our responsibilities as auditor

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the , whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

18. POST-BALANCE SHEET EVENTS

In the first half of 2020, the Covid-19 virus spread worldwide. In common with many other countries, the Irish government issued guidance and restrictions on the movement of people designed to slow the spread of this virus. In early March 2020, many businesses closed voluntarily and throughout the month more restrictions were placed on people and businesses. On 28th March, all "non-essential" businesses were ordered to close temporarily.

At the time of approving the financial statements, there is uncertainty regarding how the balance sheet may be impacted based on events since the year end and as a result an estimate of its financial effect cannot be made.

As it is the directors opinion that the above events are non-adjusting events, the above financial effects have not been adjusted for the impact of the above events since the balance sheet date.

There have been no other significant events affecting the Charity since the financial year-end.
