

BODYWHYS

The Eating Disorders Association of Ireland

Proudly Supporting Eating Disorders Awareness Week 2026

EDAW2026

Eating Disorders:
Exploring Connection and Community

Join Bodywhys from **23rd February - 1st March** in our mission to raise awareness of eating disorders in Ireland. Throughout the week, we will be hosting a series of events featuring people with lived experience of eating disorders, researchers, carers and clinicians, all working together to improve understanding of eating disorders amongst the wider community.
